friends in President, Venango county.

—Fresh String Beans to-day at
Wm. Smearbaugh & Co.

—Alex. Dale now runs the delivery
wagon of Holoman & Hopkins, vice
Eagles, resigned.

—Strawberries are a drug on the
market.—Allegheny Mail. J-e-e, whiz!
Send us up a crate.

—Venor's hot, dry weather for the
first ten days of June is a failure if the
past week has been a specimen.

—Prof. Hillard received his com-
mission as Superintendent of Schools
of Forest county on Monday.

—Mr. Joseph Adamson and daugh-
ter, of Philadelphia, are stopping in
town, the guests of Mr. G. M. Kepler
and family.

—Mr. Wils Jamieson and "Doc."
E. B. Shugert, two of Pleasantville's
representative young men, spent last
Sabbath in town.

—Effie Clark has improved consid-
erably within the past week, and her
physician thinks with careful nursing
she will soon recover.

—Mr. Shawkey is recovering from
his fall very nicely, and is able to
hobble around on crutches. His foot
is going to give him the worst trouble.

—Mr. R. P. Craig, of Pine Grove
Mills, Centre Co., Pa., is paying his
mill, our efficient station agent, J. L.
a visit. He is a gentleman whom it
is a pleasure to meet.

—Dentist Steadman has changed
his location and now occupies the
upper front rooms of the Acomb build-
ing, where he is prepared to yank out
snags and sich with his usual alacrity.

—Mr. T. P. Flynn has withdrawn
as a Democratic candidate for County
Commissioner. Chairman Haslet has
appointed Saturday July 2d as the
day for holding the Democratic prim-
aries.

—Francis Murphy has struck Oil
City and is endeavoring to convert the
town to pure, unadulterated temper-
ance. It's a pretty big undertaking,
but he seems to be making good head-
way thus far.

—If any tardy marks are given for
lateness at Sabbath School next Sun-
day morning attribute it to the eclipse;
it isn't often we get a total, you know,
and—well of course the cause of sci-
ence exacts liberality in this direction.

—The fellow without his flask at
Chautauqua this season, if he is fond
of his "smile," will be in a sorrowful
plight; no liquors will be sold on the
boats. This timely warning is given
for what it is worth.

—The Pennsylvania Legislature has
done the square thing by the school
teachers of the State by passing a bill
allowing them their time while attend-
ing the annual county institute, and
\$2.50 a day for expenses.

—Cornie Derickson, who has been
stopping in town with his brother,
J. H., for the past two months, re-
turned to his home in Meadville last
week. He will be missed by the
young gents of our town.

—Professor Higbee, State Superin-
tendent of Education, says he intends
visiting every county in the State, for
the purpose of stirring up the people
on this important subject. He could
not put in his time to a better advan-
tage.

—The following item from the
Warren Mail will interest many of
Miss Burton's former friends in this
place: "Miss Blanche Burton, the effi-
cient teacher in the "Baby room," in
Warren High School for the past year,
departed for her home in Cattaraugus,
N. Y., last Friday. We learn that she
will soon start a "select school"
with only one scholar, "for better, or
for worse."

—The School Board of Tionesta
Borough will elect the teachers for the
ensuing year on the first Monday in
July. Applications, certificates, &c.,
should be sent to the Secretary of the
Board, Dr. J. E. Blaine, before that
date.

—A new Postoffice has lately been
established in Forest county called
Braceville, after Ex-Sheriff Brace of
Warren. It is on Beaver creek some
seven miles above East Hickory, where
Brace & Co.'s mills are situated. Their
clerk, Thos. Holliday, is Post-
master.

—Last Friday Mr. J. H. Went-
worth received two Yorkshire pigs
which competent judges say are the
best ever brought to this county. He
will endeavor to raise some first-class
stock from them. They were shipped
to him by Mr. J. L. Johnson, of Ber-
gen, N. Y.

—The Mayor of Philadelphia has
turned the damper on the fires of pa-
triotism by forbidding the sale and
use of fireworks, including even the
"cracker," on the coming Fourth, and
he's a Democrat too. Small boy of
the City of Brotherly Love, would you
be a Democrat?

—Mr. J. S. Henderson, of Hickory,
one of the Republican candidates for
Commissioner, is having quite a seri-
ous time just now with a bealing in
his head. His requests us to state that
on this account it may be possible he
will not be able to go around and see
his friends before the primaries.

—May, Park & Co. are building a
handsome and substantial vault in
their bank building, the doors for
which have already arrived. They
have ordered a new and superior safe
which is warranted burglar proof. It
will come on in a few days, and then
they can defy the most expert burg-
lars.

—Smearbaugh & Co. have comple-
ted excavating for the foundation of a
new store building adjoining Reck's
new store, opposite Bovard's. The
building is to be 24x60, two stories
high, and they expect to complete it
by the first of September. The loca-
tion is one of the most desirable in
town.

—Those candidates who have not
called for their tickets should do so at
once. They are all printed and
unless the candidates give the matter
their personal attention it may be that
they will not be properly distributed.
The time is short, only a little more
than a week yet remaining before the
primaries.

—The Central City, (Neb.) Item,
has changed its base, having removed
to Omaha, where it sails under the
name of the Omaha Sunday Item. It
has lost none of its brilliancy and wit
by the change, but on the contrary
has grown better, if possible. It is one
of the most important Items in news-
paperdom.

—Mr. T. J. VanGieson has taken
the contract of building barges for
T. D. Collins, Nebraska, Pa., this
summer. He started for there with a
number of men Monday morning.
Boat building is nice work, and with
the knowledge Tom has of the business
he will doubtless make a nice speak
out of his job.

—Frank Reck was in town Monday
and Tuesday of this week on "biz."
He and his partner, Wm. Hasselback,
own one of the best mills in this
section, so it is said by judges. They
have since about the first of January,
sawed over 1,400,000, nearly all of
which was delivered in market this
spring. They are now moving their
mill to another part of the tract, about
a mile from the present site.

—Who ever knew the the horn of
plenty so full that it could not contain
just another—one more—item of plen-
tiness? The blossoms of hope must
always precede the fruit of realization;
so must the apple blossoms the golden
pippin. The voice of the husbandmen
proclaimeth the failure of the winter
fruit to bloom; the sequence of
which will be a short crop of winter
apples—in some localities at least.

—We learn with regret from the
Chautauqua Democrat that Mr. I. B.
Robbins died in a Pittsburgh hospital
on Friday May 27, of typhoid fever.
Mr. Robbins had charge of Wesley
Martin's photographic boat which was
anchored at this place all last winter.
During his stay he made numerous
friends here who will be pained and
surprised to learn of his sudden death.
He was buried in Jamestown, N. Y.,
on Sunday May 29.

—The Premium List of the Venango
County Agricultural Society for the
second annual fair, to be held at
Franklin, Wednesday, Thursday and
Friday, Sept. 21, 22 and 23, 1881, has
reached us. The fair held by this
society last year was a grand success,
and as many new features have been
added the coming one promises to be
far better. The pamphlet before us
was printed at the Independent Press
office and is a very creditable job to
say the least.

—At a recent meeting of the Bor-
ough Council Geo. Carr was appointed
Street Commissioner, vice J. S. Hood,
resigned. The councils decided to
have the Sickles swamp and the low
lands adjacent thereto drained. The
clerk was instructed to notify the prop-
erty owners to drain their lands within
twenty days or suffer the same to be
done by the authorities at the owners'
expense with an additional cost of
twenty per cent. The tax levy for
1881 was fixed at 2 1/2 mills for road
purposes, and one mill cash tax.

—The Republicans of Venango
county held their primaries on Satur-
day last and nominated the following
ticket: Prothonotary, P. Ingleskirger;
Treasurer, C. W. Cross; Register and
Recorder, Jno. P. Barr; Commis-
sioners, H. Craig and D. Sterret; Au-
ditors, A. J. Culp and Daniel Shaner.
Warren county Republicans nomi-
nated as follows: Associate Judges,
Paul Brown and Geo. H. Bates; Com-
missioners, Dr. Blodgett and Benj.
Ellis; District Attorney, Wm. Swans-
on; Register and Recorder, S. H.
Evaus.

—Speaking of railroad matters the
Derriek has the following: "Another
rumor is that the Allegheny Valley is
seeking an outlet north from its pre-
sent terminus at Oil City. There is
bad feeling between the Allegheny
Valley and the Buffalo, Pittsburgh &
Western, so that the former is seeking
to make some connection with the
Dunkirk & Warren which would give
it a through line to the lakes. One of
the proposed routes is up the Alle-
gheny river to Irvineton on the Tion-
esta side; another is by the old Pit-
t-hole road across the hills to Grand
Valley; and still another from Frank-
lin to Titusville over the hills."

—By referring to our Almanac we
find an eclipse of the moon—total—
set down for June 11 and 12, visible
to North and South America and parts
of Africa and Australia. In the lon-
gitude of Buffalo the eclipse begins 55
minutes past 11, becoming total 57
minutes past 12; the total eclipse
ends 19 minutes past 2 Sunday morn-
ing, the moon passing entirely out of
the shadow 21 minutes past 3. Re-
member that this is a very important
item in the phenomena of nature, it
being proof of the spherical form of the
earth. The diameter of the shadow
through which the moon passes is a
little more than 1 1/2 times as great as
the diameter of the moon, one of the
causes of the length of the total
eclipse.

FAGUNDUS, PA., JUNE 3, 1881.
ED. REPUBLICAN:—

Custom requires
men who are cut before the people to
call on them at least once before the
primary meeting is held; this trip I
had intended to begin on Monday next,
the 6th inst. But to-day I was tele-
graphed from Buffalo to come and pay
the last sad tribute of respect to a dear,
departed brother. Hence I bring this
sad notice before the people of Forest
county, that they may know why I
am not among them.

Upon my return next week, I intend
giving them a friendly call.

Very Respectfully,
PETER BERRY.

Blue Jay News.

Business about Blue Jay is rather
quiet at present. From the Derriek
we gather the following notes concern-
ing that district, which may prove in-
teresting to some of our readers:

BLUE JAY.
"The P. & E. company and Councilly
have started the drill at their two wells.
—Howe, Crawford & Coleman are
preparing to erect a rig on their prop-
erty, north of the Darling.—M. B.
Mainwaring will soon start a rig three
miles southwest of the Blue Jay wells.
—The rig on the Stewart lands will
be built at once, Ed. Reed having
taken the lease.—It is understood
that after the P. & E. Company's, Con-
nelly's Fox & Hill's and Dorking
company's No. 2 is put down that op-
erations in the vicinity of Blue Jay
will be quiet. The lessees of the land
do not intend to sub-let any more of
the property, and as the wells going
down will hold all the leases, they
propose to pursue the inactive policy
until forced to drill by others, or the
oil situation improves.—Mr. Horton
is talking of putting on a gang of men
to grade the narrow gauge road from
Sheffield to Blue Jay, unless the rail-
road companies take hold of the road
soon."

Derriek of June 7: "On the Cook
lands the P. and E. company is down
250 feet. This will be an important
test of the territory south of the Blue
Jay wells.—Connolly on the Wood
lot will start the drill this week.—
Darling No. 2 is drilling.—Fox &
Hill's rig is ready for the drill, and
they are now rigging up.—The rig
on the Stewart property will be put up
at once, and the drill started as soon
as possible.—Magee & Horton are
drawing pipe at their No. 2 on the
Donaldson."

cated on the Shriver farm near this
place.

Mr. Jenkins and family have moved
to Warren. Their absence is deeply
felt by their many friends.

Major Woodcock is cropping the
Neill farm this season. The Major is
considered as worthy a farmer as land-
lord.

Decoration day was observed even
at Neilltown. Quite a number of our
citizens were seen in the cemetery sod-
ding and decorating the graves of
loved ones who have gone before.

A pleasant event is to take place
here on Thursday next in the marriage
of a couple of our popular young
townspeople. A long and happy
future is the wish of their many
friends.

WITHDRAWAL.

ED. REPUBLICAN:—Please withdraw
my name as a candidate for County

Yours truly, J. C. HOVLER.

Just as we predicted a short time
ago, and we little thought the happy
event was going to occur so soon; but
that's the way of the world. We learn
that the young folks of the neighbor-
hood paid their respects to the happy
couple on Monday evening and all had
a jolly good time. Our best wishes go
with you and yours, Henry; may you
always be happy and prosperous.
